

# THE ULTIMATE CHOICE

Your One Stop Lubricant Specialist

# AMOIL

## Our Vision

To be one notch above everyone else in the lubricant business.

## Our Mission

Our business is your solution to lubrication.  
We are the lubricant specialists

## Our Quality Policy

"Quality is our way of life"

Since 1975, **AMOIL (MALAYSIA) SDN BHD** has been in the business of manufacturing and marketing high quality petroleum products for top brands from the United States of America and across the globe to Malaysia.

Utilizing state-of-the-art equipment, our laboratory provides stringent quality control testing of all manufactured products. Our implementation of the ISO 9001:2008 quality system helps ensure that at every level of the organization, **AMOIL'S** products meet the demanding requirements of the industry.

With more than 39 years of experience, **AMOIL** has developed the ability to formulate world class lubricants by selecting the best synthetic base oil, coupled with the right performance driving additive that gives a product performance that exceeds industrial standard requirements.

**Amoil** will continue delivering innovative, superior products that will help you save money through reduced maintenance costs, and improved productivity.

## Our Commitment

The implementation of ISO 9001:2008 Quality System is testimony of our commitment to becoming a preferred specialist lubricant brand.

## LUBRICANTS

## 100% Synthetic Motor Oil with Double Ester base

### THE ULTIMATE CHOICE

Amoil's Intelligence 100% synthetic with double ester base motor oils are uniquely designed to withstand the stress of higher horsepower, provide outstanding levels of fuel economy performance, cleaning power and engine protection, even during longer oil change intervals.

Amoil's Intelligence are engineered to outperform competitive conventional and synthetic motor oils thanks to its well balance blending chemistry and advancements in oil technology

#### Benefits

- Excellent wear protection and engine cleanliness even at longer drain intervals
- Excellent protection against filter blocking and sludge formation
- Excellent high thermal stability and oxidation resistance
- Protects against varnish deposits and resists thermal viscosity breakdown
- reduce oil consumption and improves fuel economy
- Reduce wear and permit easy start up during low temperature
- Excellent seal compatibility

#### Application

- For all gasoline engine fitted with multi-valves, turbochargers or superchargers and intercooler where API SN engine oils are recommended
- Suitable to use in CNG/LPG engines

Intelligence SAE 5W-30  
API SN  
ILSAC GF 5  
ACEA A1/B1

Intelligence SAE 10W-40  
API SN  
ACEA A1/B1

Intelligence SAE 5W-40  
- API SN  
- ACEA A3/B3-04  
- ACEA C3  
- BMW-LL04  
- MB 229.51/229.331  
- VW 502.00/505.01

## 100% Synthetic Motor Oil

### To clean • To Protect

Amoil's 100% Synthetic High Performance Motor Oils are our most advanced premium motor oils that designed to provide exceptional lubrication performance for today's gasoline engines.

Formulated from 100% synthetic base oil with extended oil drain boost additive technology superb cleaning agent provide exceptional resistance to thermal breakdown, excellent engine protection against wear and deposit formation under the most severe driving conditions. They also provide enhanced protection for the latest emission control systems and turbochargers.

#### Benefits

- Extended oil drain interval
- Excellent high thermal stability and oxidation resistance
- Excellent protection against filter blocking and sludge formation
- Excellent deposit control, keep engines parts clean
- Reduce wear and permit easy start up during low temperature
- Improves fuel economy and low oil consumption
- Excellent seal compatibility

#### Application

- For all gasoline engine fitted with multi-valves, turbochargers or superchargers and intercooler where API SN engine oils are recommended
- For all diesel engine where API CF engine oils are recommended
- Suitable to use in CNG/LPG engines

#### Standard

- API SN/CF, ACEA A3/B3-07

Turbo Synthetic SAE 5W-40  
API SN/CF  
ACEA A3/B3-07

Syntron 1 SAE 5W-50  
API SN/CF  
ACEA A3/B3-07

## Synthetic Motor Oil

### Excellent fuel economy with longer oil drain intervals

Amoil's Synthetic Motor Oil Series are one of our most advanced motor oils that are designed to provide exceptional lubrication for today's high performance gasoline engines.

Formulated from 100% synthetic VHVI base oil with extended oil drain boost additive technology provide exceptional resistance to thermal breakdown, excellent engine protection against wear and deposit formation under the most severe driving conditions. They also provide enhanced protection for the latest emission control systems and turbochargers.

#### Benefits

- Extended oil drain interval
- Provides high thermal stability and oxidation resistance
- Excellent protection against filter blocking and sludge formation
- Excellent deposit control, keep engines parts clean
- Reduce wear and permit easy start up during low temperature
- Improves fuel economy and low oil consumption
- Excellent seal compatibility

#### Application

- For all gasoline engine fitted with multi-valves, turbochargers or superchargers and intercooler where API SN engine oils are recommended
- For all diesel engine where API CF engine oils are recommended
- Suitable to use in CNG/LPG engines

#### Standard

- API SM/CF, ACEA A3/B3-07, ILSAC GF 4 (5W-30 only)

Advantec SAE 5W-30  
API SM/CF  
ILSAC GF 4  
ACEA A3/B3-07

Amprosyn SAE 10W-40  
API SM/CF  
ACEA A3/B3-07

Synmax SAE 15W-50  
API SM/CF  
ACEA A3/B3-07

Synmax 1 SAE 5W-50  
API SM/CF  
ACEA A3/B3-07

Turbo Xtra SAE 15W-40  
API C14 Plus

## Synthetic Blend Motor Oil

Amoil Syntoleum Series high performance Synthetic Blend Motor Oils are a perfectly blended from high quality hydrocrack base oil (HVI) and strengthened with synthetic base stock couple with high performance additives provide exceptional resistance to thermal breakdown, excellent engine protection against wear and deposit formation under the most severe driving conditions. They also provide enhanced protection for the latest emission control systems and turbochargers.

#### Benefits

- Reduce wear and permit easy start up during low temperature
- Excellent thermal stability and oxidation resistance
- Keeps engines cleaner and protects against deposits and sludge formation
- Reduced Oil Consumption
- Prolongs engine life and extends the oil drain intervals
- Protection of Exhaust Emission Control Systems and turbocharger protection

#### Application

- For all gasoline engine fitted with multi-valves, turbochargers or superchargers and intercooler where API SN engine oils are recommended
- For all diesel engine where API CF engine oils are recommended

#### Standard

- API SN/CF, ACEA A3/B3-07, ILSAC GF 5 (5W-30 only)

Syntoleum SAE 5W-30  
API SN/CF  
ILSAC GF 5  
ACEA A3/B3-07

Syntoleum SAE 10W-40  
API SN/CF  
ACEA A3/B3-07

Syntoleum SAE 15W-50  
API SN/CF  
ACEA A3/B3-07

# Mineral Base Motor Oil

## Introduction

Amoil range of premium advance mineral base motor oils are manufacturing from highly refined paraffinic base oil and blended with latest develop additive technology, provide exceptional resistance to thermal breakdown, excellent engine protection against wear and deposit formation under the most severe driving conditions.

## Benefits

- Excellent engine cleanliness
- Prevents wear and sludge
- Minimizes oil top-up
- Resists oil degradation throughout the oil-change interval

## Application

- For all gasoline engine where API SH, SL engine oils are recommended
- For all diesel engine where API CF engine oils are recommended

## Standard

API SH,SL/CF , ACEA A3/B3-98 , ILSAC GF 4 (10W-30 only)

Duratec SAE 20W-50  
API SH/CD

Matrix SAE 20W-50  
API SL/CF  
ACEA A3/B3-98

Matrix SAE 15W-50  
API SL/CF  
ACEA A3/B3-98

Matrix SAE 10W-30  
API SL/CF  
ILSAC GF 4  
ACEA A3/B3-98

Matrix SAE 15W-40  
API SL/CF  
ACEA A3/B3-98

# Natural Gas Motor Oil

Amoil's semi synthetic and synthetic performance Natural Gas Motor Oil is designed for use in vehicles that are power by Natural Gas. A perfectly blended from high quality hydrocracks base oil (HVI) and strengthened with synthetic base stock couple with high performance detergent/dispersant additives provide excellent protection against oxidation, nitration, wear, deposits and provide outstanding lubrication to the engines.

## Benefits

- Prevents valve torching and recession Valve recession protection
- Low oil consumption and piston deposit control
- Enhanced valvetrain wear protection
- Advanced oxidation resistance
- Prevents spark plug fouling and extend spark plugs life

NGV  
Semi Synthetic  
SAE 20W-50

NGV  
Synthetic Performance  
SAE 15W-40

## Heavy Duty Diesel Engine Oil

Amoil's Amfleet series of heavy duty diesel engine oil is formulated from premium quality highly refined mineral oil and advance cleansing additive packages to resist oil thickening caused by incomplete engine combustion, which generates soot. The dispersant minimizes sludge formation and effectively keeps particles in suspension to extend filter life.

### Benefits

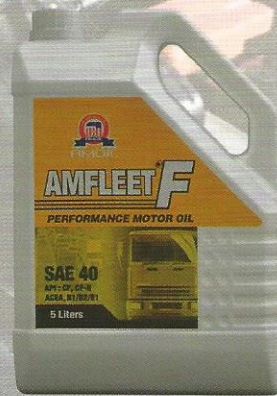

- Increases engine wear and corrosion protection
- Provides super deposit cleanliness and soot dispersant
- Completely prevents engine oil from sludge formation
- High base number enabling to neutralize acids caused by combustion

### Application

- For all diesel engine where API CF engine oils are recommended

### Standard

- API CF - ACEA E2 - MB 228.0 - JASO DH-1 - MAN 270 - ALLISON C-4

Amoil Amfleet F 40  
SAE 40  
API CF

Amoil Amfleet F 20W-50  
SAE 20W-50  
API CF

## Premium Heavy Duty Diesel Engine Oil

Amoil's Ranger 4 x 4 is high performance diesel engine oil, designed for today's modern heavy duty diesel engines either with/without Turbo charge and equipped with/without Exhaust Gas Recirculation (EGR).

Formulated from hydrocrack unconventional High Viscosity Index (HVI) base oil and advance soot/dispersing controlling additive packages providing excellent control on soot induced wear, reduce deposit on piston ring, reduce wear and superb engine cleanliness even at extended oil drain interval.

### Benefits

- Offers the stronger oil film, excellent thermal and oxidation stability, suitable for all operating conditions
- Enhances engine cleanliness, especially piston and ring, disperses soot and controls deposit formation on vital engine parts
- Provides outstanding wear and corrosion protection and reduces engine oil consumption
- Prolongs engine life and extends oil drain intervals

### Application

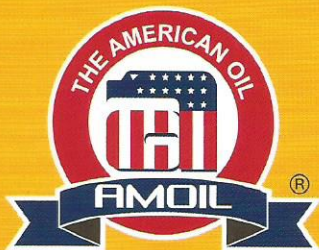

- Recommended for all conventional diesel engines equip with/without turbo charge

### Standard

- API CI 4,
- ACEA E7/E5/E3/A3/B3/B4
- MB 228.3, Volvo VDS-3/VDS-2, Cummins CES 20077/20078
- Cat ECF-2/ECF-1a

Ranger 4x4  
SAE 15W-40  
API CI-4
